Did you know God's accuracy may be observed in the hatching of eggs.....

For example:

- the eggs of the potato bug hatch in 7 days;
 - those of the canary in 14 days;
 - those of the barnyard hen in 21 days;
 - the eggs of ducks and geese hatch in 28 days;
 - those of the mallard in 35 days;
 - the eggs of the parrot and the ostrich hatch in 42 days;
- (Notice, they are all divisible by seven, the number of days in a week!) "The scriptural Holy Number."

OR

- each watermelon has an even number of stripes on the rind.
- each orange has an even number of segments.
- each ear of corn has an even number of rows.
- each stalk of wheat has an even number of grains.
- every bunch of bananas has on its lowest row an even number of bananas, each row decreases by one, so that one row has an even number and the next odd.
- the waves of the sea roll in on shore twenty-six to the minute in all kinds of weather.
- All grains are found in even numbers on the stalks.

Lutheran "words" depict this kind of accuracy in Gods relationship with us. Words like justification, grace, faith, freedom etc. I want to begin this New Year looking at justification.

Justification, n. The keystone to the arch, the hub to the wheel, the north star by which all theological navigation steers--God's action of establishing and maintaining a relationship with sinners.

This is a big one. Get this one right and everything else tends to fall into place. Get this one wrong and you're pretty much trying to sail across desert sand in a rowboat.

Continued on page 2

The concept of justification starts with the assumption that all of creation is estranged from God. That our relationship with our Creator has been disrupted by the condition called sin. We live in a good but broken creation. We are separated from God and from each other.

The question is: what can be done about this situation?

If it were left up to human willpower, ingenuity and creativity, the answer is: not one blessed thing. You might as well try to drain the Pacific Ocean with an eyedropper.

But the good news is that the situation isn't left up to us, but rather it has been left to God. And with God, as Jesus says, all things are possible. Through Jesus Christ, God has reached out to the broken world...and, specifically, God has reached out to you.

The Bible uses any different metaphors to describe justification. We are God's heirs, God's children. We have been reconciled to God, redeemed by God, saved by God. We have been born again, we are a new creation. Our guilt and sin are forgiven. And so on. All told, they all amount to this simple good news: God has chosen you.

This is Lutheran word No. 1. And there are a couple of other Lutheran words—or rather Lutheran phrases—that help refine this word: by grace, through faith.

Happy New Year!
